**Proper Collection of Tax:** Florida's state sales tax rate is 6%; however, there is an established "bracket system" for collecting sales tax on any part of each total taxable sale that is less than a whole dollar amount. Sales and use tax brackets for the state tax rate and for the combined state rate and various discretionary sales surtax rates are available on our website at [www.floridarevenue.com](http://www.floridarevenue.com).

**Discretionary Sales Surtax:** Most counties impose a local option discretionary sales surtax that must be collected on taxable transactions. You must collect discretionary sales surtax along with the 6% state sales tax on taxable sales when delivery or use occurs in a county that imposes a surtax. Current discretionary sales surtax rates for all counties are listed on Form DR-15DSS, *Discretionary Sales Surtax Information*, posted on our website.
